SUMMARY

Full stack web developer experienced in Ruby and JavaScript based programming. With a background in music and operations, that translates seamlessly into coding, I know how to prioritize tasks in a fast paced environment, meet deadlines, and deliver a quality product, all while thinking creatively and working collaboratively.

EDUCATION

Flatiron School

15 Week Intensive Bootcamp: Full Stack Software Engineering

New York, NY

August 2020

Webster University

Bachelor of Music: Jazz Studies

Saint Louis, MO

2009

TECHNICAL SKILLS
